

FireWise Community Renewal Checklist 2010

Contact Matt or Adriane with any questions at 501-296-1940

Invest \$2 per capita in FireWise projects

-Remember to take before and after pictures to send to Little Rock team for website and record updates

Host a FireWise Community Awareness Day (FireWise Day)

-Contact the Little Rock team in advance;
we can come help you host and/or speak at your event

Make sure your CWPP is up to date

-Ensure no new subdivisions and/or major changes have taken place in your community that need risk assessments conducted by your department

Submit renewal paperwork to the Little Rock FireWise Team by October 1, 2010

-See the website or contact the FireWise team for your renewal forms, then submit them to the **Little Rock** office. We will then process your \$500 renewal grant for each community under your department and submit your certification to the National Fire Protection Association to ensure you receive your 2010 stickers and recognition
